

# Big Business 13 ReadMe

November 13, 2020

## Welcome to Big Business 13 Beta!

Big Business 13 is a new Database, for new computers.  
Big Business 13.03 adds changes from Big Business 12.23.

- **macOS Big Sur, Catalina, Mojave**
- **Windows 10**
- **Windows Server 2019, 2016, 2012R2**

To **Update** from an earlier release of Big Business 13, download and install the new Big Business Server. Updating requires Support.

To **Upgrade** from an earlier version of Big Business, download and install the new Big Business Server. Then, install new Big Business Clients and connect. Upgrading requires Registration.

## Notes

Form editor and some connectors are awaiting updates.  
Appearance changes are for testing. Your input is appreciated.

To install on **macOS Big Sur or Catalina**, circumvent **GateKeeper**:

1. Run the installer and click **OK** for not scanned.
2. **Go to** Apple menu, System Preferences, **Security**.
3. Click **Open Anyway**.
4. Run the installer again and click **Open**.
