

# Big Business 13 ReadMe

May 31, 2023

## Welcome to Big Business 13!

Big Business 13 is a new Database, for new computers.  
Big Business 13.84 adds fixes.

- **macOS Monterey, Big Sur, Catalina, Mojave**
- **Microsoft Windows 11, Windows 10**
- **Windows Server 2019, 2016, 2012R2**

To **Update** from an earlier release of Big Business 13,  
download and install the new Big Business Server.  
Updating requires Support.

To **Upgrade** from an earlier version of Big Business,  
download and install the new Big Business Server.  
Then, install new Big Business Clients and connect.  
Upgrading requires Registration.

## Notes

To install on Macs :

1. Run the installer and click **OK** for not scanned.
2. **Go to** Apple menu, System Preferences, **Security**.
3. Click **Open Anyway**.
4. Run the installer again and click **Open**.
